## Full Stack Developer | Mern Stack | ReactJs | NodeJs

Lahore , Punjab, Pakistan | +923099789757 | [msarfaraz.meyo@gmail.com](mailto:msarfaraz.meyo@gmail.com)  
<https://www.linkedin.com/in/muhammad-sarfaraz-2b2788250/>

A passionate Full Stack developer with a strong focus on MERN Stack (ReactJS, ExpressJS, MongoDB, NodeJS) development. With 1+ year of experience in web development, I am eager to join a team where communication and teamwork are valued. My enthusiasm for coding and dedication to delivering high-quality solutions make me a valuable addition to any team.

## Work Experience

---

### Associate Software Engineer | March-2023 – Present

@ChargeByte Lahore

1. Collaborating with the development team to understand project requirements and translating them into technical specifications.
2. Troubleshooting and debugging issues to ensure smooth functionality and optimal performance

### Mern Stack Developer | Oct-2022 – Feb-2023

@penandweb Lahore

1. Integrating third-party APIs and services into the applications to enhance functionality and user experience.
2. Writing well-structured, clean, and maintainable code while following industry best practices and coding standards.

### Mern Stack Developer BootCamp | July 2022 to September 2022

@penandweb Lahore

Participated in an intensive three-month MERN Stack Development Bootcamp, where I gained valuable skills and knowledge in the field of full-stack web development. The bootcamp focused on the MERN stack, which encompasses MongoDB, Express.js, React.js, and Node.js.

## Euducation

---

### Superior University Lahore | 2018 – 2022

1. Bachelors in Computer Sciences | 3.1 CGPA
